

Upgrading the Pacific Highway

Tintenbar to Ewingsdale

Value Management Workshop Report

The NSW Roads and Traffic Authority (RTA) has examined options for the upgrading of the Pacific Highway between Tintenbar to Ewingsdale.

A value management workshop was held in December 2005. The workshop is one of several inputs to the consideration of a preferred route.

More information is available in the March 2006 community update and the Tintenbar to Ewingsdale Value Management Workshop Report.

Copies of the update and report are available from the project website or by contacting the project information line (details below).
