

Upgrading the Pacific Highway

Tintenbar to Ewingsdale

Preferred route display

The NSW Roads and Traffic Authority (RTA) has examined options for the upgrading of the Pacific Highway to a dual carriageway standard from Tintenbar to Ewingsdale.

This route has been modified in response to community input. The preferred route chosen provides the best overall balance between functional, ecological, environmental and social considerations.

Information is available in the September 2006 community update and the Tintenbar to Ewingsdale Preferred Route Report.

Copies of the community update and report are available on the project website or by contacting the project information line (see details below).

The preferred route is on public display until Friday 3 November 2006.
